Dear Valued Customer:

Re: Change in Acceptance Cut off Time of Straight Load Containers for Monday sailing to the Port of Kawaihae

**Effective Monday, February 6, 2017, the acceptance cut-off time of all straight load containers in Honolulu for the Monday sailing to the port of Kawaihae will be 10:00 a.m.** The current cut off time of 11:00 a.m. is being changed to support proper loading of our barge and a timely departure from Honolulu for an early morning arrival on Tuesday in Kawaihae.

As a reminder, frequent visitors (that is, more than one visit a week) must have a Transportation Worker Identification Credential, or TWIC, to gain access to Young Brothers' facility. Possession of a TWIC will expedite your entrance into Young Brothers' ports statewide.

Young Brothers appreciates your cooperation on these matters.

Sincerely,

/s/ Dean A. Kapoi
