

**Final Update No. 6 on Tropical Storm Olivia
Update Thursday, September 13, 2018 – 7:30 a.m.**

Port authorities have re-opened all of the State's ports and terminal facilities. This will be the last in our series of updates on Tropical Storm Olivia.

Updated Sailing Schedule: See Attachment 1.

Young Brothers will have a modified sailing schedule for the remainder of the week, as shown in Attachment 1.

Cargo Acceptance: See Attachment 2.

Detailed cargo acceptance information for each sailing for the remainder of the week is shown on the table provided as Attachment 2. The cargo limitations listed are necessary to expedite loading and unloading of barges and to allow Young Brothers to timely resume its regular sailing schedule as soon as possible. Priority loading will be given to essential cargo. **Young Brothers anticipates resuming normal operations and cargo acceptance starting Friday, September 14, 2018.**

We have very much appreciated your patience and *kokua* as we worked through the storm. Please continue to bear with us as we work to restore normal operations. Young Brothers anticipates resuming its regular schedule of sailings starting Monday, September 17, 2018. Please visit our website at www.youngbrothershawaii.com for updates regarding cargo acceptance and sailing schedules.

Sincerely,

/s/Chris Martin
