Dear Valued Customers,

Re: Port of Honolulu Network Outage

The Port of Honolulu is currently experiencing a network outage impacting our internet and phone lines. We are working with our telecommunications provider to fix these issues as soon as possible.

We will update you via email when additional information becomes available. Young Brothers also encourages customers to visit our website [www.youngbrothershawaii.com](http://www.youngbrothershawaii.com) for updates.

We apologize for any inconvenience this service disruption may have caused and appreciate your patience.

Sincerely,

Young Brothers, LLC
