

# MODIFIED CARGO ACCEPTANCE DUE TO WEATHER CONDITIONS

January 28, 2025

Dear Valued Customer,

Weather conditions this week are forecasted to be unfavorable, with high winds, heavy rainfall, and severe thunderstorms. As a precaution, we will have modified acceptance for the following cargo at **all ports** from Wednesday, January 29, 2025, until further notice:

- There will be no acceptance of Palletized/Mixed Hazardous Material Cargo
- There will be no acceptance of Livestock

There are **NO** changes to the acceptance of any other cargo, and we will make every effort to complete sailings as scheduled; however, changes in the forecast and intensity of the storm conditions could have additional effects on our operation.

We will continue to provide further information as we receive updated weather forecasts.

Updated information will be sent via e-mail, posted on our website, and through our social media channels. Young Brothers encourages its customers to sign up for e-mail notifications at our website at [www.youngbrothershawaii.com/email-updates/](http://www.youngbrothershawaii.com/email-updates/) and follow us on social media @youngbrothershawaii/@youngbrothershi.
