

## POWER OUTAGE PORT OF HONOLULU UPDATE

January 7, 2026

Dear Valued Customer,

The power outage at Young Brothers Port of Honolulu has been resolved. The power has been fully restored, and all email and phone lines are back online. The port continues to operate under normal gate hours, with no changes to cargo acceptance or pick-up. We ask for your patience as we work through previously sent emails and appreciate your understanding.

For the most up-to-date information on sailing schedule changes and cargo availability, visit our website at [www.youngbrothershawaii.com](http://www.youngbrothershawaii.com) and sign up for customer notices at [www.youngbrothershawaii.com/email-updates/](http://www.youngbrothershawaii.com/email-updates/) or follow us on social media @youngbrothershawaii/@youngbrothershi.

Mahalo for your patience and understanding.

Sincerely,  
Young Brothers, LLC

A stylized map of the world showing shipping routes. Dotted lines connect various ports, primarily in the Pacific and Atlantic oceans, with yellow dots marking the endpoints. The map is set against a dark blue background.
