

Changes to Port Operations at the Port of Honolulu Effective Monday, May 2, 2022

April 22, 2022

Dear Valued Customer,

We're writing to inform you about upcoming changes to the Port of Honolulu which includes extending ports hours and cargo drop-off and pickup times. Starting on **Monday, May 2, 2022**, the changes specifically noted in the chart below will take effect for the Port of Honolulu.

Change	Hours	Benefits for You
Expanded Port Hours of Operation	Tuesdays and Fridays will now be open until 3 p.m.	Adds more time for customers to drop off and pick up cargo at new specified times (see below) to reduce wait times and pier congestion
Extending hours of operation to accept dry straightload containers	Monday through Friday from 7:30 a.m. to 3 p.m.	Simplifies the schedule and adds more hours for customers to drop off dry straightload containers, reducing wait times at the port
Prioritizing dry palletized cargo drop-off during morning hours (no drop-off after 11 a.m.)	Monday through Friday from 7:30 a.m. to 11 a.m.	Reduces wait times at the port, speeds up the drop-off process, and lightens congestion on the pier and surrounding roadways
Prioritizing dry palletized cargo pick-up during afternoon hours (no pick-up before 1 p.m.)	Monday through Friday from 1 p.m. to 3 p.m.	Reduces wait times at the port, speeds up the pick-up process, and lightens congestion on the pier and surrounding roadways
The Port of Honolulu will close at 3 p.m. Monday through Friday.		

We are implementing these changes in the Port of Honolulu first to streamline the cargo drop-off and pick-up process that we believe will improve your overall shipping experience at this port. We anticipate announcing similar types of changes across our neighbor island ports soon. We appreciate your patience and understanding, and we encourage you to contact us if you have any questions.

Sincerely,
Young Brothers, LLC
