Dear Valued Customer,

Re: Equipment Parked on Auiki Truck Storage Road

Please be advised that effective immediately, the State of Hawaii, Department of Transportation (“DOT-H”) will be ticketing and, if necessary, towing any illegally parked containers and chassis on Auiki Truck Storage Road. We have been informed that DOT-H will be enforcing parking regulations in preparation for the opening of a third lane within Auiki Truck Storage Road.

Any Young Brothers’ owned equipment (e.g., containers, flatracks, platforms, and/or chassis) that is ticketed and/or towed from Auiki Truck Storage Road will be at the expense of either the shipper or consignee, including their agent or hired trucker.

Mahalo for your understanding.

Sincerely,

/s/ Chris Martin
