

November 6, 2019

Dear Valued Customers,

Re: Fuel Price Adjustment – Quarterly Adjustment Effective Thursday, November 7, 2019

Effective Thursday, November 7, 2019, Young Brothers' current Fuel Price Adjustment (FPA) will *decrease* from 3.26 percent to 2.72 percent. This FPA percentage is based upon costs and revenues for the three-month period that ended on October 31, 2019.

As provided in Rule No. 205 of Local Freight Tariff No. 5-A, the FPA percentage may be reviewed and adjusted by Young Brothers every three months. The next quarterly review of the FPA percentage will be in November 2019.

Thank you for choosing Young Brothers!
