Dear Valued Customer:

Re: Traffic Advisory for at Young Brothers Piers 39/40

Starting Monday, March 30, 2020, the City and County of Honolulu will be doing roadwork fronting Young Brothers front gate at Nimitz Highway and Waiakamilo Road. The roadwork will be occurring everyday including weekdays and weekends, which will limit one's access to Young Brothers' facility.

The intersection of Nimitz Highway and Waiakamilo Road will be closed starting at 12:00 p.m. daily. Customers wishing to enter the port after 12 noon can only access Young Brothers front gate through the right hand lane heading east on Nimitz. There will be no access to Young Brothers Nimitz gate from Waiakamilo Road or from the left hand turn lane as you head west on Nimitz Highway.

Please remember to yield to all heavy construction equipment, obey all traffic signs, police officers directions, and use extreme caution when traveling in the area.

We thank you for your cooperation and patience during this period.

Sincerely,  
Young Brothers, LLC
