

# Quarterly Fuel Price Adjustment

## Effective August 7, 2024

August 6, 2024

Dear Valued Customer,

Re: Quarterly Fuel Price Adjustment - Effective Wednesday, August 7, 2024

Effective Wednesday, August 7, 2024, Young Brothers' current Fuel Price Adjustment (FPA) will decrease from 5.50 percent to 4.80 percent. This FPA percentage is based upon costs and revenues for the three-month period that ended on July 31, 2024.

As provided in Rule No. 205 of Local Freight Tariff No. 5-A, the FPA percentage may be reviewed and adjusted by Young Brothers every three months. The next quarterly review of the FPA percentage will be in November 2024.

Sincerely,  
Young Brothers, LLC
