Dear Valued Customer,

Re: Quarterly Fuel Price Adjustment - Effective Friday, November 7, 2025

Effective Friday, November 7, 2025, Young Brothers' current Fuel Price Adjustment (FPA) will increase from 4.00 percent to 6.74 percent. This FPA percentage is based upon fuel costs, fuel consumption, and revenues for the three-month period that ended on October 31, 2025.

As provided in Rule No. 205 of Local Freight Tariff No. 5-A, the FPA percentage may be reviewed and adjusted by Young Brothers every three months. The next quarterly review of the FPA percentage will be in February 2026.

Sincerely,
Young Brothers, LLC
