Aloha Valued Customer,

Young Brothers is pleased to share the dates and locations of the remaining community “talk story” sessions. These sessions are open to all members of the public who would like to learn more about the temporary rate increase, the financial realities we continue to face, and the investments we’re making to serve our island communities. During these sessions, you’ll be able to meet your local team, have an opportunity to ask questions, and provide feedback directly to our team.
