

Update to Port Hours of Operations
for the Port of Nawiliwili
Effective Monday, April 18, 2022

Monday, March 28, 2022

Dear Valued Customer,

At Young Brothers, we are always exploring ways to improve your shipping experience to best meet your cargo needs. As a valued customer, we want to inform you of gate hour changes at the Port of Nawiliwili that will take effect in mid-April. We are confident that these changes will improve your overall experience while shipping cargo to and from the Port of Nawiliwili.

Starting on April 18, 2022, we will fully staff our cargo lines during the peak hours of 7:30 to 11:00 a.m. to help expedite processing of your cargo. **To accommodate these staffing changes, on barge days (Tuesdays and Fridays), we will be closing for lunch from 11:30 a.m. to 12:30 p.m.** There are no changes to operations or gate hours on non-barge days (i.e., Mondays, Wednesdays, and Thursdays).

The new gate hours will have no impact on our standard cargo drop-off times, as provided in the attached "Cargo Delivery/Availability Information" sheet. In addition, on barge days (i.e., Tuesdays and Fridays), in order to expedite the delivery of refrigerated cargo, general cargo (i.e., dry palletized and mixed cargo) will not be delivered between 12:30 p.m. to 2:00 p.m. All dry and refrigerated straightload containers must be in-gated by 11:00 a.m. and empty returns will not be accepted after 12:30 p.m. on barge days (Tuesdays and Fridays).

These steps will also help to improve timely departures and ensure on-time arrivals. Our team will be working hard to seamlessly implement these improvements and we stand ready to support you through these changes. We are grateful for your continued support and patience.

Sincerely,
Young Brothers, LLC
