

**UPDATE TO REFRIGERATED LESS THAN
CONTAINER LOAD CARGO ACCEPTANCE
AND AVAILABILITY INFORMATION
FOR THE PORT OF HONOLULU
Effective August 17, 2026**

July 10, 2026

Dear Valued Customer,

As part of our ongoing efforts to improve the safe and efficient movement of temperature-sensitive shipments across our interisland system, Young Brothers is updating cargo acceptance cut-off times and cargo availability pick up times for **refrigerated less than container load (LCL) cargo at the Port of Honolulu**, effective August 17, 2026. The new cargo acceptance times for refrigerated LCL are listed below:

Monday to Friday	“CHILL” Cargo	“FREEZE” Cargo
Cargo Accepted	7:30 AM to 9:30 AM	9:30 AM to 11:30 AM
Cargo Available for Pick Up	1:00 PM to 3:00 PM	1:00 PM to 3:00 PM

The revised schedule establishes designated refrigerated cargo acceptance and pickup windows that are designed to improve operational consistency, reduce congestion at the port, and better maintain the cold chain integrity of your cargo – ultimately delivering a higher level of service to you.

We appreciate your continued partnership and cooperation as we improve the safe and reliable movement of cargo throughout our interisland communities. Click to view our [updated cargo acceptance and availability information](#), or visit our website at [Sailing Schedules – Young Brothers Hawaii](#). Our team is here to help. Please contact your local port office if you have any questions or concerns. We appreciate your business and continued partnership as we work to move what matters most for Hawai‘i.

Sincerely,
Young Brothers, LLC
