Dear Valued Customer:

Re: Permanent Closure of Road No. 2 on Tuesday, March 27, 2018

Please be advised that on Tuesday, March 27, 2018, the State of Hawaii Department of Transportation (“DOT”) will be permanently closing container truck access of Road No. 2, which currently provides access into Young Brothers’ facility via our Libby gate. A temporary Auiki Street Truck Storage Road is being constructed, which will enable continued trucker access to our facility via the Libby gate and is expected to open on March 27th as well. The new road will run parallel to Auiki Street with the entrance to the Truck Storage Road off of Auiki and Kalihi Street. Trucks exiting Young Brothers’ Libby Gate can continue to travel Ewa on Auiki Street.

DOT will be providing message boards and Young Brothers will have a special duty police officer on-site to assist with the upcoming construction and changes. Also, as a friendly reminder, for everyone’s safety there is no parking allowed in the Kapalama Project Site as construction activities will continue to increase over the next few weeks.

Thank you in advance for your understanding and patience.

Sincerely,

/s/ Keith Kiyotoki
