RE: Young Brothers' COVID-19 Update 13: Extension to Adjusted Sailing Schedule to the Ports of Kahului and Hilo

Dear Valued Customer,

We wanted to let you know that we have requested and received approval to extend our temporarily amended sailing schedule for the ports of Kahului and Hilo from the Public Utilities Commission through August 17, 2020. Our service to other ports remains the same.

As we navigate these challenging times, Young Brothers will continue to review and adjust our sailing schedule so we can best serve our island communities while reducing cost and maintaining the critical service we provide. We will continue to monitor COVID-19 guidance from federal, state, and local authorities to prevent the spread of illness in our community. Your support in compliance with these and other directions from Young Brothers' employees is appreciated.

Thank you for continuing to ship with Young Brothers.

Sincerely,
