

Port Operations Updates

August 9, 2023

Dear Valued Customer,

As we navigate the weather and disaster-related conditions occurring across the state, Young Brothers is providing the following update regarding sailing schedules and cargo acceptance for the remainder of the week.

Sailing and Port Operations at the Port of Kahului

The Port of Kahului is fully operational and will be accepting and delivering cargo as normal. To support relief efforts in the face of the disastrous wildfires that have impacted the communities of Maui, we will be prioritizing the loading and discharge of medical supplies and emergency and utility vehicles to the port of Kahului over the next few sailings.

Young Brothers will strive to ensure that bookings for gated cargo sail on the currently scheduled sailing date(s). However, due to shifts in capacity for certain sailings, Young Brothers may re-book some cargo to the next available sailing. As a reminder, less than container load cargo is moved on a space available basis and priority will be given to cargo that support relief efforts.

Honolulu to Kawaihae sailing Thursday, August 10, 2023 – Rescheduled

The barge to Kawaihae that was originally scheduled to arrive on Tuesday morning has now successfully berthed in the Port of Kawaihae and discharge operations have begun this morning. Due to the delayed arrival, our regularly scheduled Thursday sailing to Kawaihae from Honolulu will instead leave on Friday, August 11, 2023, and arrive on Saturday, August 12, 2023. For customer convenience, the port of Kawaihae will have special gate hours on Saturday from 7:30 a.m. to 3:30 p.m. for the pick up of all cargo. All outbound cargo from Kawaihae to the Port of Honolulu must be received in Kawaihae by 11:00 a.m. before the gate closes at 11:30 a.m. Cargo will be available in Honolulu on Monday, August 14, 2023.
